Add a new maiConnect user

Add/Edit User

*Business Partner:

5

Enter mail address or business partner ID

Active?:

6

YES

*Language:

7

*Groupware:

8

Confirm

Cancel

- 5 Adding new users can either be done with their mail address or business partner ID.
- 6 With this option you can select, if the user should be added as an active maiConnect user or not.
- 7 This option defines the user's language. Possible values are EN or DE.
- 8 Here you can select the groupware, where the user's mailbox is located.
